

**TOWN OF WINDSOR**  
**Applicant Information and Release of Liability**

Disclosure:

The Town of Windsor's Summer Nature Camp at Northwest Park involves a variety of activities and challenges that include games, initiatives, swimming, hiking, fishing, fire building, canoeing, use of the archery and ropes challenge course and off site travel, which are provided by Northwest Park Staff. All activities are challenge by choice, that is, the level of participation is determined by the individual at all times. There is risk involved in all activities associated with participants and the participant of the program assumes the risk. It is the policy that all participants have health insurance coverage. Information on this coverage must be made known to the instructors of the program prior to the onset of all activities. All information will be kept confidential.

Release of Liability:

I understand that the Summer Nature Camp program and the use of fishing poles, canoes and the ropes challenge course may be both physically and mentally demanding. I affirm that I am in good health and that I am not under any professional care for any condition that will limit my ability to safely participate with the guidelines. I recognize the inherent risk of injury that could result during fishing, swimming, canoeing, ropes challenge course use and off site travel. I release the Town Council, Town Staff, Northwest Park Staff, Volunteers, and Campers liability for and injury that may occur to me during the Summer Nature Camp program.
